VETCHES AND FIELD PEAS FOR HAY AND PASTURE

Vetches and Austrian Field Peas are becoming very popular for the production of hay. These are planted along with oats and from three to five tons of very fine dry hay can be produced on regular grain land. Good Pea or Vetch Hay will compare very favorably with Alfalfa Hay. In planting Peas and Vetch these should be planted along with some Oats about 15 to 20 lbs. of Oats with from 40 to 60 lbs. of Vetch and 40 to 50 lbs. of Austrian Field Peas.
